Lomita Pupil Wins Legion Essay Award

An essay entitled "Our American Flag," written by a fifth grade student at St. Margaret Mary's School in Lomita, has been named winner in the 19th District American Legion "Americanism" contest, and is now entered in state competition.

Declared winner was the essay of Kathleen Aquino, daughter of Mrs. Helen Aquino and the late Procopio J. Aquino, former Torrance residents.

Kathleen is a fifth grader at the Lomita school and won the essay contest of the American Legion Auxiliary No. 645 of Lomita as well as the district contest. Kathleen attended Nativity Catholic School here before moving to Lomita.

Awarded Diplomas
Richard A. Palmer and William Fred Robinson of A-1 Photo Inc., 1318 Sartori Ave., have been awarded the Paillard diplomas for proficiency in the operation of all Bolex movie cameras and the Hasselblad still cameras.

Palmer and Robinson were students at the Paillard Sales Training School during its recent visit to Los Angeles.

TARTAR SENIORS... Members of the Torrance High School graduating class are shown here during rehearsals for tonight's commencement exercises scheduled to begin at 7:45 p.m. in the high school stadium.

Commencement exercises for North High's graduating seniors will be held in the school's gymnasium beginning at 8:45 p.m. Torrance High will graduate 289, North High 217. (Herald Photo)

Commencement Exercises Tonight

While the traditional airs of "Pomp and Circumstance," ring out, 506 Torrance seniors will step up and receive diplomas this evening, climaxing their high school education.

Largest graduating class will be gathered at the stadium at Torrance High School where Grace Wright and Charlton A. Mewborn, members of the board of education, will present graduating certificates to 289 seniors. Commencement will begin at 7:45 p.m.

At North High, the school's graduating seniors will gather in the high school gymnasium where Clinton B. Cooke, member of the board, will present 217 diplomas. The North High commencement is scheduled to begin at 8:15 p.m.

Student speakers will dominate formal proceedings at both programs—at Torrance High speakers will include Darlene Sudmeyer, Thomas Carter, and James Sena. North High students on the program will be Elaine Washeleski, Tom Okada, and Bill Lee.

Torrance High Principal Carl Ahee will present the Tartar Class to School Superintendent J. H. Hull, and a few minutes later, North High Principal Dale M. Harter will present the Saxon class to the superintendent.

Both graduating classes will attend an all-night party following the commencement exercises.

Summer School Classes to Start in Torrance District

Summer school classes for some 5280 elementary and 1185 high school students in the Torrance Unified School District will start on June 23, and end on Aug. 1.

Registrations now are being completed at all three high schools and all of the 23 elementary schools for the summer work.

Roland Petrat, principal of Steele School, will head the elementary staff of 132 teachers. Half of the school work will be devoted to the "Three R's," while the remainder of the school day will be used in areas of the students' interest or need. Parents may request special work for children in special areas of study.

At all but two schools will start on an 8:15-12:35 schedule. Fern-Greenwood and Torrance Elementary Schools will run from 8:30 to 12:50.

Special Programs
Special programs for children with speech difficulties will be held at Edison, Newton, Anza, and Torrance Elementary Schools.

A new program for eighth grade graduates is set at the three high schools. Courses in beginning algebra, general science, and math will be offered for advanced students, as well as classes in basic skills. High school credit will be given for most courses.

Twenty-six instructors at the three high schools will teach two-hour sessions, from 8 to 10 and 10 to 12. Several typing classes will be offered from 1 to 3 at Torrance and South High Schools.

Credit toward graduation will be given in most courses. Classes have been scheduled largely according to demand. Modern language classes were planned, but enrollment was not large enough.

THS Offerings
Torrance High offerings will include typing, general science, biology, general math, geometry, algebra, classical literature, creative writing, social studies, English, geography, and driver education. Leonard Lifton will be acting principal.

At South High, courses include typing, algebra, general math, geometry, social studies, science, English, and reading, with Dr. Bruce Wagner as principal.

Principal Dale Harter said courses at North High will be English, reading, social studies, California history, American history, general math, algebra, geometry, general science, biology, modern science, typing, and driver education.
